

# PUBLIC NOTICE

## INVITATION TO BID

### CESSNA LOOP ROAD IMPROVEMENTS

#### TOWN OF TAYLOR

The Town of Taylor is extending an Invitation for Bids for the CESSNA LOOP ROAD IMPROVEMENTS Project in the Town of Taylor. The Work includes, but is not necessarily limited to, earthwork, drainage, asphalt concrete paving, concrete curb installation, water mainline installation, and water and sewer service installation, for approximately 2,100 LF of Cessna Loop Road and approximately 1,100 LF of Beechcraft Loop Road, which are the public streets within the Taylor Airport Industrial Parkk Phase II Subdivision. The work includes all required labor, material, incidentals, transportation, traffic control, and services required for the project to complete a usable and operable facility in accordance with all pertinent codes and regulations as necessary to complete the project in a workmanlike manner as shown on the Construction and Bid Documents.

Bids are to be made upon the Bid Form(s) contained in Contract Specification book. Bidders' attention is called to the fact that no Bid is acceptable without the return of both the completed Bid Package and Bid Bond (per the requirements of Title 34, A.R.S.).

The bidding documents will be available on April 22, 2025, and may be requested at [admin@ironsideengr.com](mailto:admin@ironsideengr.com) or 928-532-0880.

Bids must be sealed in an envelope clearly marked "BID FOR CESSNA LOOP ROAD IMPROVEMENTS" and filed with the Town Clerk of the Town of Taylor, at 425 Papermill Road Taylor, AZ, 85939 on or before May 20, 2025, at 1PM. Bids will be opened and read aloud immediately after the above time and date. The Town of Taylor reserves the right to modify the Scope of Work and to reject any and all bids not deemed in the best interest of the Town.

Questions must be submitted in writing to the Project Engineer at [zachb@ironsideengr.com](mailto:zachb@ironsideengr.com) no later than May 13, 2025, at 1:00 PM.
